learn what it was like to live as a norseman in this fun and fascinating look at vikings and the viking age vikings those ancient norse seafarers have inspired plenty of pop culture phenomena from the a e hit show vikings to thor ragnarök to the ever expanding world of viking larp known for being skilled craftspeople accomplished merchants hardworking farmers and masters of the sea the vikings were a complex and captivating people inspired by the legendary legacy of the vikings author kjersti egerdahl presents a compelling and entertaining guide exploring who the vikings were and how they lived from ancient norse daily life to battles and adventuring you ll learn how vikings ate dressed and fought and even how they weaved the perfect beard braid and built warships and weapons interspersed throughout is revealing historical anecdotes about viking conquests famous warriors mythology and afterlife and much more

the vikings reimagined explores the changing perception of norse and viking cultures across different cultural forms and the complex legacy of the vikings in the present day bringing together experts in literature history and heritage engagement this highly interdisciplinary collection aims to reconsider the impact of the discipline of old norse viking studies outside the academy and to broaden our understanding of the ways in which the material and textual remains of the viking age are given new meanings in the

present the diverse collection draws attention to the many roles that the vikings play across contemporary culture from the importance of viking tourism to the role of norse sub cultures in the formation of local and international identities together these collected essays challenge the academy to rethink its engagement with popular reiterations of the vikings and to reassess the position afforded to reception within the discipline

through runic inscriptions and behind the veil of myth jesch discovers the true story of viking women well illustrated closely argued and fascinating guardian this is the first book length study in english to investigate what women did in the viking age both at home in scandinavia and in the viking colonies from greenland to russia evidence for their lives is fragmentary but judith jesch assembles the clues provided by archaeology runic inscriptions place names and personal names foreign historical records and old norse literature and mythology these sources illuminate different aspects of women s lives in the viking age on the farms and in the trading centres of scandinavia abroad on viking expeditions and as settlers in places such as iceland and the british isles women in the viking age explores an unfamiliar aspect of medieval history and offers a new perspective on viking society very different from the traditional picture of a violent and male dominated world judith jesch is reader in viking studies at the university of nottingham

from the fury of the northmen deliver us o lord between the eighth and eleventh centuries the vikings surged from their scandinavian homeland to trade raid and invade along the coasts of europe their influence and expeditions extended from newfoundland to baghdad their battles were as far flung as africa and the arctic but were they great seafarers or desperate outcasts noble heathens or oafish

pirates the last pagans or the first of the modern europeans this concise study puts medieval chronicles norse sagas and muslim accounts alongside more recent research into ritual magic genetic profiling and climatology it includes biographical sketches of some of the most famous vikings from erik bloodaxe to saint olaf and king canute to leif the lucky it explains why the danish king harald bluetooth lent his name to a twenty first century wireless technology which future saint laughed as she buried foreign ambassadors alive why so many icelandic settlers had irish names and how the last viking colony was destroyed by english raiders extending beyond the traditional viking age of most books a brief history of the vikings places sudden scandinavian population movement in a wider historical context it presents a balanced appraisal of these infamous sea kings explaining both their swift expansion and its supposed halt supposed because ultimately the vikings didn t disappear they turned into us

new in paperback remains to be seen is a fascinating series which looks at the past through the archeological evidence that remains today exploring the vikings looks at who the vikings were at their world and how they spent their time as well as their travels their voyages of discovery and their rituals and religion there are fact boxes which highlight key facts and the text is supported by a wonderful array of photographs and maps exploring the vikings also features a time line a glossary and a full index

the historical dictionary of the vikings traces viking activity in europe north america and asia for over three centuries during this period people from scandinavia used their longships to launch lightning raids upon their european neighbors to colonize new lands in the east and west and to exchange scandinavian furs for eastern wine and spices and arab silver the viking age also saw significant changes at

home in scandinavia kings extended their power norse paganism lost ground to christianity and new towns and ports thrived as a result of increased contact with the wider world this book provides a comprehensive work of reference for people interested in the vikings including entries on the main historical figures involved in this dramatic period important battles and treaties significant archaeological finds and key works and sources of information on the period it also summarizes the impact the vikings had on the areas where they traveled and settled there is a chronological table detailed and annotated bibliographies for different themes and geographical locations and an introduction discussing the major events and developments of the viking age

an exciting blend of fact and fiction and comic book style illustrations make learning about the vikings fun in this book in the good times travel agency series

beginning in 789ad the vikings raided monasteries sacked cities and invaded western europe they looted and enslaved their enemies but that is only part of their story in long boats they discovered iceland and america both by accident and also sailed up the seine to paris which they sacked they settled from newfoundland to russia founded dublin and fought battles as far afield as the caspian sea a thousand years after their demise traces of the vikings remain all the way from north america to istanbul they traded walrus with inuits brought russian furs to western europe and took european slaves to constantinople their graves contain arab silver byzantine silks and frankish weapons in this accessible book the whole narrative of the viking story is examined from the eighth to the 11th century arranged thematically vikings a history of the norse people examines the norsemen from exploration to religion to trade to settlement to

weaponry to kingdoms to their demise and legacy but today questions remain what prompted the first viking raids what stopped their expansion and how much of the tales of murder rape and pillage is myth

finn wants to be a viking warrior and seek adventure and glory in far off lands not become chieftan of a farming village like his father but then when his father has been summoned away to another island finn is left in charge and danger strikes with the village under siege and only finn and his friends to protect it can he save the day and learn what it really means to have the blood of a viking

usa today bestselling author stolen by the enemy in thrall to his touch mercian princess aelfwynn s hard earned escape from a tumultuous life at court to a nunnery is thwarted when she s kidnapped by rugged viking thorbrand from a rival clan she expects this dark hearted warrior to have wicked intentions but he s not the savage beast she expects there s something about him that calls to her and soon it s the shockingly addictive pleasure she finds with her captor that s the biggest danger of all from harlequin historical your romantic escape to the past

describes the vikings including their history weapons and way of life

the definitive history of the vikings from arts and culture to politics and cosmology by a distinguished archaeologist with decades of expertise the viking age from 750 to 1050 saw an unprecedented expansion of the scandinavian peoples into the wider world as traders and raiders explorers and colonists they ranged from eastern north america to the asian steppe but for centuries the vikings have been

seen through the eyes of others distorted to suit the tastes of medieval clerics and elizabethan playwrights victorian imperialists nazis and more none of these appropriations capture the real vikings or the richness and sophistication of their culture based on the latest archaeological and textual evidence children of ash and elm tells the story of the vikings on their own terms their politics their cosmology and religion their material world known today for a stereotype of maritime violence the vikings exported new ideas technologies beliefs and practices to the lands they discovered and the peoples they encountered and in the process were themselves changed from eirík bloodaxe who fought his way to a kingdom to gudrid thorbjarnardóttir the most traveled woman in the world children of ash and elm is the definitive history of the vikings and their time
