--- Understanding the Shadowhunters Codex: The Heart of Shadowhunter Society

The Shadowhunters Codex is more than just a rulebook; it embodies the collective history, ethos, and spiritual commitments of the Shadowhunter community. It was originally compiled by the angel Raziel, the divine being credited with creating the first Shadowhunters, and has been passed down through generations of angel-blooded warriors. Its purpose is to ensure that Shadowhunters uphold their responsibilities faithfully, maintain order within their society, and distinguish themselves from mundane humans and other supernatural entities. This sacred text is kept in high regard, often stored in the Institute's archives or hidden safes, and is referenced regularly in both training and critical moments. Its contents are a blend of divine commandments, practical instructions, and moral directives that shape how Shadowhunters interact with each other, with Downworlders, and with the broader human world.

--- Historical Origins of the Shadowhunters Codex
